11. A description of any proposed or approved gaming operation, including the type of boat, home dock location, expected economic benefit to the community, anticipated or actual number of employees, any statement from an applicant or licensee regarding compliance with federal and State affirmative action guidelines, projected or actual admissions and projected or actual adjusted gross gaming receipts.

The proposed casino operations at Hawthorne Casino & Race Course will be a best-in-class operation that accentuates customer service, integrity and excitement. Whether slot machine play, table games, sports betting, or horse race handicapping, customers at Hawthorne can expect concierge-style service with industry-leading rewards incentives and loyalty offerings. Hawthorne Race Course is renowned for offering superior customer service and loyalty rewards to horse handicappers and this philosophy will be applied to all aspects of our casino operation.

The economic impact of a casino development at Hawthorne will be far beyond the precedent established by other Illinois casinos. Hawthorne is uniquely positioned as a race track with connections to businesses throughout all of Illinois, and is also geographically situated in one of the most economically, and ethnically diverse areas of all existing Illinois gaming operations. From down state farmers, to hyperlocal minority-owned businesses, a casino at Hawthorne has the opportunity to create positive economic impact across myriad class of businesses all across the State.

Our current estimation is the comprehensive casino development at Hawthorne including the hotel and convention center will create 1400 new permanent jobs as well as nearly 1000 construction jobs. Tens of thousands of additional jobs across Illinois' horseracing and agribusiness will be further supported -- and saved -- by this development. Furthermore, casino development will enable expansion of our off-track betting network throughout the Chicagoland and mid-State Illinois regions that will create additional jobs and ancillary business support.

It is the policy of Hawthorne Casino & Race Course to promote equal employment opportunities through an ongoing positive program of practices designed to ensure the full realization of equal employment opportunities without regard to race, color, religion, sex or national origin, while maintaining a diverse workforce and complying with all state and federal guidelines. To adhere to these policies, the Company is committed and will continue to:

- Recruit, hire, train and promote persons in all job classifications without regard to race, color, religion, sex or national origin.
- Base decisions on employment so as to further the principle of equal employment opportunity.
- Ensure that all personnel actions including, but not limited to, compensation, benefits and company-sponsored training and education are administered without regard to race, color, religion, sex or national origin.
- Ensure that promotion decisions are in accord with principles of equal employment opportunity by imposing only valid requirements for promotion.

We utilize many recruitment avenues and resources to ensure that we adhere to these policies. These include, but are not limited to: newspaper advertisements, internet postings, the Illinois Department of Employment Security, local colleges, recruitment firms, as well as we partner with local non-profit organizations. Examples of these organizations are: Veteran's Administration, Illinois Department of Human Services and Employment Security, World Relief, The Greater Hispanic Chamber of Commerce and Hola America. Positions are also posted within ZipRecruiter, CareerBuilder and Monster.com. We utilize an upgrade and purchased feature, which enables us to push our open positions out to diverse publications across the United States.

Hawthorne Casino & Race Course is dedicated to providing equal opportunity for employment and advancement to all qualified persons without regard to race, color, age, religion, sex, national origin, ancestry, physical or mental handicap unrelated to ability unfavorable from military service or creed. It is the intention of Hawthorne Casino & Race Course to comply with all orders from Federal, State and Local governmental agencies. Hawthorne Casino & Race Course submits to this plan to reaffirm continued commitment and to assure compliance with a program of equal employment opportunity and merit employment policies. This policy is applicable to the office staff as well as all job site locations in and around the casino and racetrack.

Hawthorne Casino & Race Course is located in one of the most ethnically diverse areas of Illinois. Prioritizing hyperlocal hiring and the recruitment and training of individuals from underserved communities, Hawthorne Casino & Race Course has a proven record of affirmative action hiring practices with sixty percent of Hawthorne's current workforce composed of minorities and females. Hawthorne Casino & Race Course currently employs more minority and female workers at all levels than any other racetrack or casino.

Hawthorne Casino & Race Course has engaged and partnered with an outside firm, Diversity Gaming Solutions, LLC to take action on Hawthorne Casino & Race Course's priority of Affirmative Action and to develop and implement a workforce and supplier diversity plan. "Success With Diversity," Hawthorne Casino & Race Course's workforce and supplier diversity plan has been created, being implemented and attached to this application. Hawthorne Casino & Race Course is committed to be an industry leader in workforce diversity, supplier diversity and affirmative action efforts.

Hawthorne Race Course, Inc. expects when at full operations, that the casino will generate annual gaming revenues of approximately \$219,000,000.00 and annual admissions of 2,190,000.00.
